SUBJECT.

In re the conduct of certain "Seva" in the Sri Srinivasa Devarm temple at Tirupati by M. Vyasa Rao of mysore.

From

The Govt. Advocate in Mysore.

No. 863/29 Dated 19th August 1907.

M Vyasa Rao of Mysore has (Slip m) petitioned this office expressing his intention of endowing certain lands, the annual net income thereof being utilized for Seva to the Sri Srinivasa Devarm at Tirupati.

Slips 8 and 9) The Assistant Commr and the Dy Commr in their English reports on the subject are of opinion that the offer may be accepted, and that after the Settlement of the question of the acceptance of the gift, proposals for working the lands will be submitted. The Govt Advocate who was asked to furnish his opinion on the subject States in his letter of the 19th instant, that he does not see any objection to the acceptance of the trust if the same can be carried out through Govt. Agency maintained at Tirupati.

(Paper under disps.

The request appears to be one for the Mahant at Tirupati who is the trustee of the Sri Venkataramana Swami Temple, either to accept or refuse. Govt cannot interfere in the matter

Muzrai Secretary's remarks:—

I am of the humble opinion that in this case the petitioner should make his own arrangements with the authorities of the Tirupati temple which is not under the management of the Mysore Government. The Agency employed by the Mysore Government at Tirupati chiefly looks after the affairs of the Chattram there, and to some extent sees that the religious services paid for by the Mysore Government are duly carried out. If services enjoined by private individuals are to be looked after by the

Agency, such applications may go on increasing and cause inconvenience in future.

Further it is not known whether the proposed gift may not become the subject of future litigation.

The proposal involves the management and due cultivation of the gifted lands by Government. It often happens that such lands become neglected in course of time when left in the hands of local officers who are unable to devote their time and attention to such work in the midst of their heavy official duties.

For reasons such as ~~these~~

those mentioned above, I have ventured to give the opinion that it is undesirable for Government to accept the responsibility involved in the offer made by the petitioner.

Orders were accordingly passed in Govt. Pro. no. 1406-4 dated 12th September 1904 and the substance thereof was communicated to the petitioner Sri. Vyasa Rao.

(Paper under disposal) He has again petitioned Govt praying for a re-consideration of the foregoing Orders. He represents that owing to the introduction of the Detailed Survey — Settlement into the Mutt in question, Cash income is being derived therefrom — He prays that the net realizations may be ordered to be remitted to the Sirumpoki Seshkar by the Amildar of the Krishnarajpet Taluk; that the Seshkar may be directed to conduct "Anantharathsava" to the Sri Srinivasa Devaru for 2 days in the year; and that the balance if any, may be appropriated towards

any other Servants.

Even if the income is
in cash, the Petr ~~asks~~
should, I think, arrange with
the Mahant of the Tirupati temple
for carrying out the services to be
prescribed by him.

Our Peshkar supervises our
charities at Tirupati, and it seems
undesirable for Govt to undertake
the performance of services
intended by private parties.

Petr may be informed that
the Govt see no reason to re-consider
the order already passed.

In reply to your letter No.761 dated 9-8-1907, I - have the honour to state as follows:-

The petitioner M.VyasaRao says, in his deposition, that he is willing to place a Vritti belonging to him in the Doda Yachenahalli village of the Krishnarajapet Taluk, in the management of the Government of Mysore and requests that the annual net income thereof (Rs.150 or 175) may be utilised for carrying out such "Seva" to the Sri Sreenivasa-devaru at Thirupathi as the Mysore Government may deem --- proper. He does not wish to control the discretion of Govern-ment in the matter. In these circumstances, I do not see any objection to the acceptance of the trust if the same can be carried out by means of the agency which, I believe, the Government maintain at Thirupathi for the management of their own charities.
